Faculty Meeting Minutes

Date: 15th July 2022

Time: 9:00 a.m.

Venue: Auditorium

A special meeting was held with the Director Rev. Fr. Simon Raj and Principal Dr Sr. Alice Thomas. The following points were brought to the notice of the faculty members by the Director :-

1. Discussion on fee concession

The Director said that discussing about fee concession with the parents or Management is not under the purview of the faculty members. The Management has the full right reserved for this. The Catholic Diocese of Indore has the policy of granting fee concession that can apply only through the Parish. Therefore, all the faculty members are hereby instructed that they must not inform the parents and students about concession during admission counselling. Moreover, our college fee is very reasonable and easily affordable as compared to many top schools and colleges. Hence, all the faculty members must be convinced about this and speak authentically with regards to values based quality education and high class infrastructure with affordable fee structure.

2. Evaluation and Planning Meeting and Faculty Enrichment Programme

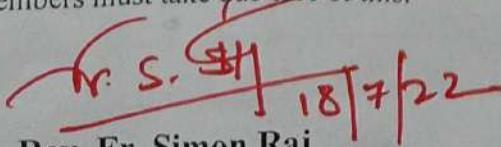

The Director said that he and Sister Principal have experienced in the previous years that these two important events of the college are being rushed with due to over engagement of faculty members and different activities being conducted in the college. Therefore, it has been decided that the last Saturday of every month will be a No Class Day for the student and the day would be particularly dedicated for this purpose.

The Director informed that schedule of the day would be as follows:-

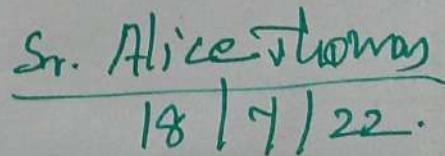

- ✓ 9:00 a.m. to 10 a.m. Prayer Service followed by a break of 30 minutes
- ✓ 10:30 a.m. The evaluation and planning meeting would begin
- ✓ Towards the end of the evaluation and planning meeting, tea and snacks would be served to the faculty members
- ✓ There would be a break for the lunch of the faculty
- ✓ 1:30 p.m. Faculty Enrichment Programme would begin

3. Use of Mobile Phones

The Director stated that it is a standing instruction at SPIPS that use of mobile phones during lecture and common programme is strictly prohibited. During the session of Department of Commerce, he through CCTV camera has noticed a few of the faculty members using the mobile phones. Hence, the faculty members must not carry the mobile phones with them. Nevertheless, the mobile phones have to be used for marking attendance on e-care, other than that the faculty members must not use the mobile phone during the lectures. He specifically mentioned that the new faculty members must take due care of this.

Expressing concern over less number of parents in the meeting, the Director enquired regarding the response of the parents when the invitation was served. The Director asked Dr. Chetna Dubey to talk to all the absent parents and report the status to him.

The Secretary, Dr. Goldie Zaki then read the minutes of the previous meeting. The minutes was duly passed.

Address by the Principal

The Principal, Dr. Sr. Alice Thomas also welcomed the members. In her address the Principal shared that the college is struggling as regard to the time which is convenient for the parents to attend the executive committee meeting. She requested the parents to give the suggestion regarding this. She added that the presence of parents in the executive meeting is of utmost importance as the direct suggestions for the growth and progress of the students are given in these meeting. Mr. Sunil Chandran remarked that 9:00 a.m. is a comfortable time and a reminder was given well in advance by the faculty members on the PPA whatsapp group. Thereafter, a personal phone call too was made and a reminder on the day prior to the meeting was also served and hence it is the duty of the parent representatives to be a part of these meetings.

2. Feedback on Curriculum

Feedback of the parent was taken with regards to the curriculum of the college. The parent representative heartily acknowledged the great efforts being put up by the college and faculty members with regards to curriculum delivery and implementation. The classes are held regularly and utmost importance is given to syllabus and extracurricular and co-curricular activities.

3. Feedback about Annual Day Celebration

As regard to Annual Day Celebration, Mr. Sunil Chandran said that the entire celebration was wonderfully conducted in a very professional manner. He said that it is very apt to invite the Vice Chancellor of the university as the Guest so that the university also has a glance of the achievements and activities conducted in the college and also witness the measures taken for enhancing the capabilities of the students. Mr. Santosh Jain also appreciated the event.

4. Suggestions from members

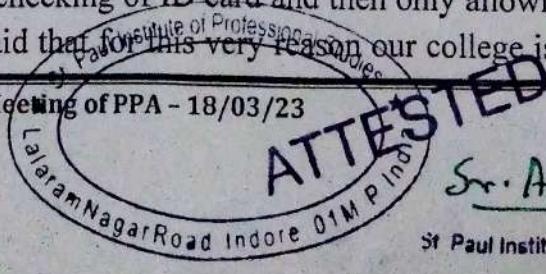

The Director then invited the parents to share their views and opinions.

Mr. Sunil Chandran said he feels fortunate that his daughter is studying in this college. He has noticed tremendous improvement in her ward after joining the college. She has built up confidence and has also enhanced her personality.

Mr. Sunil Chandran requested for transportation facilities. To this the Director replied that he had put this proposal in the College Board Meeting, but as the college is situated in the heart of the city and has the location advantage, the Board decided not to initiate this facility. Moreover, the local commutation is easily available for the students to reach the college. The Director added that travelling by local commutation also grooms the students, make them strong and ready to face challenges. This is also a part of training that the college gives to make the students self-reliant.

Mr. Santosh Jain shared that these initiatives and the students travelling through local transportation create word of mouth publicity for the college. He said about one of his friends is seeking admission for his ward in college. To him he has suggested that the best college in Indore is St. Paul Institute of Professional Studies.

Mr. Sunil Chandran very heartily appreciated the lady security guard at the gate who is very particular and vigilant regarding checking of ID card and then only allowing the students to enter the college. The Director said that ~~for this reason our college is considered to be~~

the safest for the student, specially girls. Prof. Rahat Ahmed said that this also develops a sense of security among the students.

The Director said that all the suggestions and feedback given by the parents are taken very positively and are implemented with utmost care.

Director's Address

The Director with a great deal of sadness shared an untoward incidence that occurred in the college. He informed the parent representatives that in order to gain cheap popularity, the student unions are going to colleges. They selected our two students as office bearers on their own and came to the college to declare the same. The college highly discourages and disapproves this as it is a threat to the safety of the students and college. The Director and Principal showed their great concern over the incident and asked for the suggestions and opinion of the parent representatives.

Mr. Sunil Chandran and Mr. Santosh Jain said that it was indeed a disheartening incident. The video of the same became viral and it was sad to see it. Certainly it is a threat for the students. Thus, after the discussion and consultation with the parents, it was unanimously decided that these two students would be expelled from the college. The Director added that the parents of both the boys, Aryan Chaudhary and Sanskar Solanki will be called and TC will be issued to them. This decision was taken with the consent of the parent body.

The formal meeting culminated at 9:50 p.m. with vote of thanks by Prof. Rahat Ahmed.
